

COSCO SHIPPING CAR CARRIER VESSEL SCHEDULE

1. If there is a booking requirement, please kindly communicate with the route manager via email based on the route and copy: marketing.pcc@coscoshipping.com
2. The vessels and ports are preliminary plans, which will be updated and adjusted in time.
3. Arriving each port is the estimated time, IAGW WP WOG, will be updated in time.
4. From September 1st to April 30th of the following year, Australian cargo must undergo fumigation treatment before being loaded onto ships. The shipper should entrust a DAFF certified organization to fumigate the goods and issue a certificate.
5. If you have any other port requirements, please kindly feel free to contact us in advance
